## Jack Nicklaus Brings Magic to Benton Harbor, Michigan

*SHARE AND ENJOY!*

With 18 major championship victories, it's often been said that Jack Nicklaus transformed the game of golf. Therefore, it's fitting that a Jack Nicklaus Signature Golf Course is helping to serve as a catalyst for an ongoing community transformation just 100 miles east of Chicago in Benton Harbor/ St. Joseph, Michigan.

[See Course Photos Below]

The recently opened Golf Club at Harbor Shores is a stunning 18-hole layout that has already been awarded the 2012 and 2014 Senior PGA Championships. Not many PGA major championships are awarded to courses before they open. However, not many courses have as much going for them as Harbor Shores.

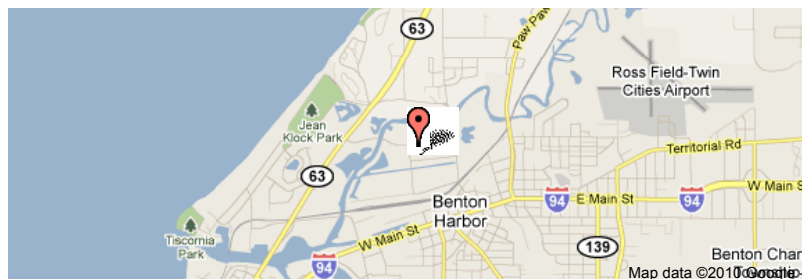

Featuring 18 holes of spectacular elevation changes, woodland-bordered fairways and breath-taking views of Lake Michigan, this course has it all. How the team from Jack Nicklaus design and a local development consortium was able to turn what was basically 500 acres of neglected waterfront real estate into a blossoming golf course and community is mind-boggling. The result of this incredible effort is a truly remarkable golf course and an even more impressive community revitalization that is providing work-force training, youth development as well as the beautification of public parks and beaches that border the property.

The Golf Club at Harbor Shores winds its way through flatlands, sandy dunes and densely wooded areas, making use of the native terrain while incorporating familiar Nicklaus design elements such as soft contours and good recovery areas. A highlight of the outward nine is the foreboding 7th hole which is a dogleg right that plays its way into a stiff breeze coming off bordering Lake Michigan finishing with green hidden from view by a steep incline that is fronted by massively deep bunkering. You'll be hard-pressed to find a more unique and challenging hole in the Midwest.

Coming up in August, the course will officially open with the Champions for Change Golf Challenge, featuring Johnny Miller, Arnold Palmer, Tom Watson, and course designer Jack Nicklaus.
